

Alex Gregg-Smith, President, Marine & Offshore at Bureau Veritas, leads the Group's global Marine & Offshore business, supporting the maritime industry through a period of significant transformation with a focus on safety, sustainability, and operational resilience. Alex brings more than 30 years of experience across classification, shipowner, and shipyard leadership. He has spent over 20 years with Bureau Veritas across two periods, most recently serving as Senior Vice President, Marine & Offshore Asia Pacific, and Chief Executive for Marine & Offshore China. His earlier career at Bureau Veritas included senior technical and management roles across Europe, Africa, and Asia. Beyond Bureau Veritas, Alex has held senior roles in the maritime industry, including Manager of the London Maritime Service Centre at DNV, Vice President Technical at Siem Shipping managing the company's owned fleet, and Chief Executive Officer for the owners of FSG shipyard in Germany. Alex holds an M.Eng in Naval Architecture & Marine Engineering from the University of Newcastle upon Tyne and a Master of Laws in Maritime Law. He is a Chartered Engineer and a Fellow of the Royal Institution of Naval Architects (F.RINA).
